

76 *The Renowned History of*  
following Verse, which every little  
good Boy and Girl should get by  
Heart.

*Early to Bed, and early to rise,  
Is the Way to be healthy, and wealthy,  
and wise.*

A fly Rogue; but it is true enough;  
for those who do not go to Bed early  
cannot rise early; and those who do  
not rise early cannot do much Busi-  
ness. Pray, let this be told at the  
Court, and to People who have Routs  
and Rackets.

Soon after this, a Present was made  
to Mrs. Margery of little Dog *Jumper*,  
and a pretty Dog he is. Pray, look  
at him.

*Jumper,*

Mrs. MARGERY TWO-SHOES. 77

*Jumper, Jumper, Jumper!* He is al-  
ways in a good Humour, and play-  
ing and jumping about, and there-  
fore he was called *Jumper*. The Place  
assigned for *Jumper* was that of keep-  
ing the Door, so that he may be call-  
ed the Porter of the College, for he  
would let nobody go out, or any one  
come in, without the Leave of his Mi-  
stres. See how he sits, a saucy Rogue.
